

PLANT, FARM MACHINERY & SMALL TOOLS WITH RURAL & DOMESTIC BYGONES SATURDAY 25th JULY 2015

Another good sale with 800 lots of small tools and just short of 450 lots of larger equipment. The Sale is becoming more and more popular every month. In the tools section the top lot saw a Circular Saw sell for £320 and a Petrol Waker made £260. Larger machinery was in demand on the day, with the top lot going to a nice Ford 7610 C/W Loader making £6,150. Two Massey Ferguson Tractors from the same farm since 1970 created a lot of interest with the MF 165 C/W loader making £2650 and the MF 135 selling to £1820.

More required for next Sale on Saturday 22nd August. Please get entries in early for advertising.
