

PLANT, FARM MACHINERY & SMALL TOOLS SATURDAY 25th June 2016

I keep wondering where all the lots keep coming from. We had just under 1000 lots of small tools and over 575 lots of larger equipment. With such large numbers now coming forward we will not be accepting items on the morning of the sale for future sales. However if you want to drop items off prior to the Friday this can be arranged. Contact Jeremy for more info on this facility.

In the tools section the top lot saw a A Hydraulic Power Pack and Breaker selling for £430 and a quantity of small racking made £380. Larger machinery was in demand on the day especially diggers and farm machinery, with one lot going on to make £11,000 - the Hitachi ZX70 7 Tonne Digger. Another highlight on the day was a tidy McHale F550 Round Baler which made £8,700. As you can see from the list below we had a tremendous clearance rate with lots making really good prices. Have a look round your sheds and yards lets turn unwanted items into money. More items required for the next sale on Saturday 30th July.

Next sale is on Saturday 30th July 2016. Please get entries in early for advertising
