

### PLANT, FARM MACHINERY & SMALL TOOLS SATURDAY 28<sup>th</sup> NOVEMBER 2015

The weather on the Friday & Saturday was most definatley the worst we have ever had on a machinery weekend. However this did not dampen the sale with spirited bidding throughout the day. With just over of 950 lots of small tools and over of 500 lots of larger equipment. In the tools section the top lot saw a Generator selling for £380 and a metal saw made £230. Larger machinery was in demand on the day, with the top lot going to a clean Case IH 4230 4 WD making £7,000. A Yanmar C30R 565 made £5,700 in the plant section. A very clean Massey Ferguson 185 sold for £5,00. More items required for the next sale on Saturday 30th January.
