### STORE CATTLE – THURSDAY 13<sup>TH</sup> SEPTEMBER 2012

#### 92 head forward

A similar entry forward and still a good trade. A run of strong British Blue heifers from A Eastham sold really well to a top of £1060. Cows and Calves remained good to sell they topped at £1230 for a pure bred Simmental Cow with a nice Simmental heifer calf at foot. A lot more suckler bred bulls today saw a decent trade especially for the better shaped, with a very good Limousin from M Ball, Barrow reaching £700. Smaller Suckler bred cattle sold well, a lot more store cattle required to suit buyers requirements, could have sold a lot more. Sale now held weekly, Thursday 20<sup>th</sup> September includes Show & Sale for British Blue Sired Cattle kindly sponsored by the British Blue Cattle Society.
